

Detailed description of the figure: This figure consists of two detailed maps of Helsinki's Pasila and Böle areas. The left map covers Pasila and parts of Böle, showing a dense network of streets, plot boundaries, and various land use categories. The right map covers Böle, showing similar zoning and street patterns. Both maps include a legend at the bottom left providing information on plot boundaries, plot numbers, and other planning details. The legend includes symbols for boundaries, plot numbers, and other geographical features. The maps also feature a north arrow and a scale bar indicating distances in meters (0-200m). The overall style is technical and informative, typical of a zoning or planning map.
