Patent EP 2 204 604 B1, our no. 09PT21837-06EP, Spherolit lens plate

We, ERCO GmbH, Brockhauser Weg 80-82, 58507 Lüdenscheid, represented by the managing director Kay Pawlik, declare that the technical innovation of the above patent is used in many of our luminaires, among others in the following:

71158 Optec Floodlight oval flood
75554 Optec Lens wallwasher

ERCO has not granted anyone a license to use the above mentioned patent, thus ERCO has an exclusivity for the patented Spherolit lens plate for the registered countries.

Kind regards
ERCO GmbH
