## Confirmation of approval of the project CB810 URBAN ECO ISLANDS

The Managing Authority hereby confirms that the project CB810 URBAN ECO ISLANDS has been selected for funding by the Steering Committee in its meeting on 5-6 March, 2019.

The project is now expected to fulfill its conditions and the Subsidy Contract will be signed once the Managing Authority approves the fulfillment. Project costs and activities are considered eligible as of the start date indicated in the Application Form.

As the project has been approved, the project is advised to launch its implementation of activities and pay related costs according to the approved Application Form already before receiving the Subsidy Contract. This ensures that the project timeline is respected.

With best regards,

Merike Niitepõld
